Filed: August 8, 2001

Art Unit: 1652

For: RECOMBINANT PRODUCTION OF NOVEL
POLYKETIDES

Examiner: N. Nashed

**REQUEST FOR CORRECTION OF CORRESPONDENCE ADDRESS
AND FOR COPY OF RESTRICTION REQUIREMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby requests that a correction be made to the file history for the above identified U.S. Patent Application. The circumstances necessitating this request are as follows:

Applicants made a routine check of this application through the PAIR system on November 10, 2003. to ascertain if an office action had been issued or other action had been taken. At that time it was noted that a Correspondence Address Change had been entered on September 17, 2003, as document no. 15. Since neither Applicants nor their attorneys had filed such document, a telephone call was placed to Examiner Nashaat Nashed to request clarification. Examiner Nashed reported that the Correspondence Address Change had been entered in this file in error and stated he would report this error to his docketing clerk and request correction.

Applicants again checked through the PAIR system on December 8, 2003, January 5, 2004, February 6, 2004, and on March 2, 2004. Copies of the PAIR system printouts are attached

hereto. Because the Correspondence Address Change still appeared in the history as document no. 15, a second call was placed to Examiner Nashed on March 4, 2004. The Examiner investigated the matter and reported that the Correspondence Address Change had been filed by Nixon & Vanderhye, PC, 1100 North Glebe Road, 8th Floor, Arlington, VA 22201-4714, but reflected the customer number of Morrison & Foerster LLP (25225). Applicants are providing a copy of this request to Nixon & Vanderhye, PC, by U.S. mail.

Applicants further have discovered that a Restriction Requirement was mailed on February 24, 2004. This document was mailed to the Nixon & Vanderhye firm and was not received by either the Applicants or their Attorneys.

Applicants therefore request that the file in this matter be corrected to reflect the correct mailing address for their Attorneys, Morrison & Foerster LLP, which is 3811 Valley Centre Drive, Suite 500, San Diego, CA 92130-2332.

Applicants further request that a copy of the outstanding Restriction Requirement be faxed to their Attorneys at: (858) 720-5125 as soon as possible in order to avoid extension fees or, in the alternative, that the Restriction Requirement be re-issued and the response time re-started.

Applicant additionally requests that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect this correction.

In the unlikely event that the transmittal letter is separated from this request and the Patent Office determines that a fee is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952**, referencing docket no. 300622000123. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: March 5, 2004

Respectfully submitted,

By Kate H. Murashige
